

# Quality Policy

At Tristone We commit to:

Innovation:

We focus on gaining and maintaining the know-how of our products and processes, and using it to continuously improve ourselves and our company.

Quality:

Our aim at Tristone is to provide to our customers, external as well as internal, defect free products and services, at required time and at affordable cost.

Sustainability:

We strive to reduce the impact of our business and preserve our planet for the future generations by pursuing excellence of actions to limit the resources needed to provide products and services to our customers.
