### **TRISTONE FLOWTECH POLAND – A RELIABLE EMPLOYER OF THE YEAR**

Considering the entire Polish working market, Tristone Flowtech Poland Sp. z o.o., has been awarded the title of “The Reliable Employer of Lower Silesia 2018”. This is an award given to companies, investing in the best practices for employment and development of employees. In order to win such an award, Tristone Flowtech Poland, had demonstrated a transparent and reliable HR policy, based upon the highest standards and procedures in this field.

This competition is organized by the Public Relations Kowalski Pro-Media Centre, organizer of prestigious Laurels of Consumers and Clients and a publisher of promotional and informative specialized press. This is also published in all-Poland newspapers and magazines, such as Rzeczpospolita, Gazeta Wyborcza and Monitor Gospodarczy, as well as broadcasted in TV Polsat. Decisions on awarding titles are taken by a neutral Competition Jury.

“We have made our successes together with our employees whose competences and involvement make the development possible. The Reliable Employer Title is an exceptionally important distinction for us because it acknowledges not only our achievements in the HR policy field but also a good opinion among our employees and in local environments. We regard this prestigious award as a particular obligation, which motivates us to keep working intensely and to build an image of a trusted and reliable employer”, said Robert Proce, Managing Director of Tristone Flowtech Poland.

Tristone Flowtech Group is highly specialized on fluid applications in the areas of motor and battery cooling as well as aircharge systems. The Group is benefiting from the trend towards a reduction of space and fuel consumption with the introduction of polyamid materials as well as the introduction of new Powertrain concepts with hybrid and electrical cars and the integration of fluid motor and battery cooling systems.

Frankfurt/ Germany: TRISTONE Flowtech Group has reached 2017 an annual turnover of 289 M€ with 3.295 employees and is one of the leading automotive supplier groups worldwide for fluid applications in the area of engine cooling, battery cooling as well as airchargers with manufacturing and development locations in Germany, Poland, Czech Republic, Slovakia, Turkey, Spain, France, Italy, Mexico, India and China.

The Group was established based on a spin-off of the former Fluid Automotive Business Unit of Trelleborg AB in July 2010 and is supplying to the automotive customers Renault, Nissan, PSA, FiatChrysler, Ford, Changan Ford, Volvo, General Motors, VW Group, Suzuki, BMW, Daimler, Jaguar Landrover, Suzuki, Mahindra-Mahindra, Bosch as well as further Tier I suppliers. Effective February 22, 2017, the Group was purchased by the Chinese Zhongding Group, Ningguo and will continue to be managed under the same name and corporate structure.
