

Tristone Group awarded as Preferred supplier 2015 for Climate control systems by Eberspächer

The Eberspächer Group is one of the world's leading system developers and suppliers of exhaust technology and vehicle heaters for the Passenger Car industry and bus air conditioning systems.

Tristone Group delivers since years from our plant in Czech Republic Hrádek nad Nisou water hoses for the fuel operated heater systems that Eberspächer delivers to their OEM customers.

Thanks to the preferred supplier award, Tristone has become a strategic supplier of Eberspächer. Eberspächer awards in every category a maximum of 3 strategic suppliers. The expectations to Tristone are to work on continuous cost and process improvements, focus on innovations and further development of the supply channel. In contrary Tristone gets access to the global entities of Eberspächer and the opportunity to be involved more intensively in the product planning.

Frankfurt/ Germany: TRISTONE Flowtech Group has reached 2014 an annual turnover of 195 M€ with 2.260 employees and is one of the leading automotive supplier groups worldwide for fluid applications in the area of engine cooling, battery cooling as well as turbochargers with manufacturing and development locations in Germany, Poland, Czech Republic, Slovakia, Turkey, Spain, France, Italy, Mexico and China.

The Group was established based on a spin-off of the former Fluid Automotive Business Unit of Trelleborg AB in July 2010 and is supplying to the automotive customers Renault, Nissan, PSA, FiatChrysler, Ford, Volvo, General Motors, VW Group, Suzuki, BMW, Daimler, Bosch as well as further Tier One suppliers.
